The War Archive has no reference re. Correspondence with prisoners of War. It is stated that any letter written by a Prisoner of War is duly Censored by the Commandant of the Camp before being despatched. The Commandant seems to have the Necessary instructions from the Govt. of Ontario re. Censorship of the Correspondence of Prisoners of War. Similarly letters addressed to the Prisoner of War should also be Censored by the Commandant before delivery to him. Under these Circumstances, the reply may be sent to the

UNIVERSITY OF MYSORE

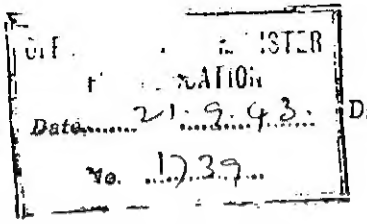
1197

MR. E. G. MACPHINE
VICE-CHANCELLOR

MYSORE



Dated: 20th September 1943.

Dear Sir Darashah,

Prof: K.B. Madhava has received a post card from Prof: Guglielmo Tagliacarne who is an Italian prisoner of war now in Bombay. I attach a copy of the post card, a copy of the letter in the matter written by Prof: Madhava to the Principal, Maharaja's College, Mysore and a copy of the reply which Prof: Madhava proposes to send. Prof: Madhava points out that the request from this Italian prisoner who was formerly a Professor of Milan University came to him entirely unsought. As I do not know, however, what the rules are in such matters and as it is not desirable that Prof: Madhava should get into any trouble through corresponding with a prisoner of war, I shall be obliged if Government will ascertain from the concerned authorities whether there is any objection to Prof: Madhava sending prints of his Statistical papers as requested.

Yours sincerely,

For perusal. May the Residency be consulted in this connection?

Minister for Edn.

Safi Darashah, Esq., B.A.,

Copy of post card dated 12-8-1943 from Prof: G.Tagliacarne to Prof:K.B. Madhav Maharaja's College, Mysore.

My dear Professor, Being a member of the Haye International Statistical Institute, as I know you are, I take the liberty of dropping you these few lines. I am now a prisoner of war in India, and I want to occupay my time in studying my subject, i.e., Statistics. Therefore I beg you to send me some books, Pamphlets, Abstracts, census,Reports, Reviews on Statistics, Demographics and the like, - written in English or French, provided you can have them without much trouble. I would appreciate any study written by yourself. Excuse me, Dear Professor, yours faithfully, Prof: G. Tagliacarne.

From

No. 27188 Rank: Major,
Name Guglielmo Tagliacarne,
Wing: No. 1,

No. 26 P.O.W. Camp, C/o G.P.O. Bombay.

Copy of letter from Prof: K.B. Madhava, Professor, Maharaja's College to the Principal, Maharaja's College, Mysore.

I forward herewith, in original, a post card that I received from Guglielmo Tagliacarne, Rank Major, No.27188, Wing No.1, in Prisoners of War Camp. (This card may kindly be returned to me). As will be seen from his communication, he writes to me as a Fellow member of the International Institute of Statistics at the Hague, desirous of occupying his time while in India as a Prisoner of War with studying publications in Statistics the branch of knowledge of mutual interest to us. He would wish to have particularly my own publications. I may say that I have verified that he was Professor in the University of Milan, Italy, at the time of his election in 1938 (some years after my own election) to the International Institute, the membership of which is limited to the foremost one hundred statisticians of the world.

If permitted, I wish to reply him as per draft submitted herewith, and also to send him printed reprints of certain publications by myself, which also I am forwarding with this draft. I would be grateful if, in view of his letter being dated so early as August 12th, an early reply is sent to me, to enable me to deal with this matter further as necessary. I would also like to add, if I may, that this necessity to communicate with an Italian subject has arisen, unsought, and entirely as a bona fide attempt for intellectual contact.

Draft of a reply proposed to be sent on a post card.

My dear Professor Tagliacarne: I greatly appreciate your writing to me as a fellow member of the Hague International Institute of Statistics, and I gladly send you a number of reprints all of which are studies written by myself. I noted with interest that you had an article in the "Giornale" on population while at Milan. The study of theoretical statistics has been receiving great deal of attention recently. I remain yours most faithfully: SD. K.B. Madhava, Professor, Mysore University, Mysore India. Date as on post mark.

Tiles of reprints that are proposed to be sent.
